

HEALTH AND SAFETY POLICY

ISO Quality Services Limited (the company) believe that Health & Safety is a vital component of the business – a good Health & Safety record goes hand in hand with high level of service and quality standards.

Our employees are the most important asset to this company, and therefore their health, safety and welfare is a priority at all times.

The company believes that prevention is not only better, but cheaper than cure. Profits and safety are not in competition - on the contrary, good Health & Safety is good business.

From a legal perspective, the company is committed to ensuring that it complies with all relevant health and safety legislation. Where it is reasonably practicable to do so, the company will strive to go beyond the requirements of legislation.

Our general intentions are:

To provide adequate control of the Health and Safety risks to employees and others arising from our work activities;

- To consult with our employees on matters affecting their Health & Safety;
- To provide and maintain a safe working environment;
- To ensure safe handling and use of substances;
- To provide adequate information, instruction, training and supervision for employees;
- To prevent accidents and cases of work related ill health and;
- To review and revise this policy at regular intervals.

For further details on our full Health and Safety Policy please see; the Health & Safety Regulations folder Section 1 p1 entitled Statement of Intent.
